

**Subject:** Job Application for UX/UI Designer, Product Designer, Visual Designer & Developer – Raju Jha

Dear XXX,

This is regarding the position of a Sr. UX/UI Designer, Visual Designer & Product Designer in your organization. Your job description states that you are on the lookout for a person well versed in UX/UI Designer and development. I am happy to say that I have the required expertise and skill set for the job.

I have been working as an in-house UX/UI designer in the **NEC Corporation India Pvt. Ltd.** for the past four years and have been part of several social media campaigns and promotions. During my **9.8 years** of career, I have successfully developed and implemented designs both offline and online. One of my key responsibilities was to visual mock-ups, prototypes, and liaising with the printers.

I am proficient in Adobe Creative Suite (Illustrator, Photoshop, InDesign, XD, Skala), Figma, Sketch, Wire-frame/Balsamiq, Prototyping, A/B Testing, Card Sorting, User Testing, Persona, Creation, Website UI Design, Style Guide, System Design, Atomic Design, CorelDraw XP, InVision, Ux Pin, Axure, Zeplin or Angular Material, HTML5, CSS3, Bootstrap 4/5, Emailer Html, JQuery/JavaScript, Web Usability & W3 Web standards, Mobile Responsive, Using MVC/Asp.net, Angular Framework. Using Jira & Bit bucket, Adobe After Effects, Adobe Premiere, FCP (Final Cut Pro), Video Editing, Compressor and Color carry sound knowledge of working in Bootstrap Framework. I am familiar with SharePoint.

- ❖ Comfortable working on PC/ Mac and can troubleshoot effortlessly.
- ❖ Up to date with current animation techniques, typography, designs and color preferences.
- ❖ Single-handedly developed ad-campaigns for print and digital media.

I believe in teamwork and enjoy working with people who share the same passion for creativity and deadlines. Ever ready to upgrade my skills. I am open to suggestions and guidance anytime. I am a pleasant person of few words who can convey anything of importance in simple, concise and crisp manner. I have always maintained good relations with my team and my clients.

Please find enclosed my resume with details of my previous job experiences and my achievements. Should you find me suitable for the opening in your organization please feel free to contact me at the email and phone number below. I look forward to a positive confirmation from your end.

Raju Jha

**Sr. UX/UI & Product Designer**
